

Part of Our Elegant Lawn & Garden Accents Line • This Particular Product is Not Solar Powered

Bird on a Wire Balancing Garden Stake • APL-2849

Balancing Butterfly Garden Stake • APL-2850

Stained Glass Style, Copper Finished

Balancing Bird & Butterfly Garden Stakes

Featuring Art Glass Globe Accents

These stylish and contemporary copper finished garden stakes give a whole new meaning to “bringing balance to your life” or at least to your lawn and garden. Available in two styles featuring a beautiful stained glass bird or butterfly perched atop a balance wire accented with copper disks and art glass globes, each ornament balances perfectly atop the sturdy dual pronged garden stake. You’ll marvel as each dances and sways gently in the breeze.
