

Totally Solar Powered • Auto-Light at Dusk • No Electrical Wiring Required • Stay Lit for Hours

Solar Lighthouse with Rotating Beacon • APL-LH101

Hand-Painted, New England Style
Solar Lighthouse with Rotating Beacon
Perfect for your lawn or garden!

If you've always wanted a seaside garden, here's your chance! This beautiful, hand-painted, solar powered lighthouse, featuring a bright-white revolving LED beacon, lets you add a touch of the seashore to your garden no matter where you live. Entirely solar powered and made from a weather and UV resistant polymer, it's as durable as it is beautiful. Requires no electrical wiring, can be set to light automatically at dusk and stands over 31 inches high.
