

Totally Solar Powered • Auto-Light at Dusk • No Electrical Wiring Required • Stay Lit for Hours

Shepherd's Hook Garden Lantern • #APL-SH500

Sturdy Dual-Prong Base

Solar-Powered, Tiffany Style Glass
Shepherd's Hook Garden Lantern
Perfect for your lawn, garden, walkway or drive!

This truly lovely solar powered Shepherd's Hook Garden Lantern features an antique copper finish, Tiffany style amber glass and intricate metal scrolling making it the perfect accent for you lawn, garden, walkway, drive or garden party. The unique flicker-glow LED matches the beauty of real candle light without the messy drippings and risk of an open flame. And, the carriage style lantern can also be removed from the hook and placed on any flat surface or even used as a centerpiece for more intimate settings. Auto lights at dusk and stays lit for hours.
