## Beautiful, Illuminated Solar Wind Chimes

*Perfect for your window, porch or patio!*

Truly unique solar wind chimes not only provide music to your ears, they're also a feast for your eyes. Beautiful right out of the box, you'll marvel as they collect the sun's rays during the day and explode with multicolored light as dusk falls. Available in four styles: butterflies, dolphins, moon and stars or hummingbirds. Color changing LED display changes from red to blue to green. Chime portion approx. 20" long with an additional 6 feet of cord for hanging and the solar panel comes with clip and suction cup providing multiple easy mounting options.
