Solar-Powered, Flicker LED Lighted Stained Glass Wind Chimes

Perfect for your home, porch or patio!

These truly elegant, solar powered stained glass wind chimes are a delight for the eyes and the ears during the day but even more stunning when night falls. The chimes built-in solar panel collects the sun's rays during the day and lights its lovely flickering LED as evening falls perfectly simulating the warm glow of candlelight. Available in three styles: dragonfly among the reeds; lovely ladybug and our stunning full-plumage peacock. These gorgeous chimes are the perfect accent for any exterior home or garden setting.
